MORNING MEETING ACTION ITEM

TO: DD/I
Assistant to the Director

DD/I highlighted a recently completed study by OBGI which demonstrates that the Soviets have deliberately distorted their maps.

DDCI underlined Soviet military dependence upon maps and questioned regarding the problems this distortion would create for the Soviet military. The Director asked Goodwin and the DD/I to get together and to provide recommendations on how to surface this material. DD/I provided Goodwin with D/BGI's summary memorandum.

Action taken: 18 September 1969

The Director of OBGI has supplied Mr. Goodwin with a copy of the report and will supply him with additional graphic materials which might be used by the press. Mr. Goodwin has decided to wait before approaching US press media. OBGI is prepared to assist Mr. Goodwin at that time.
